Open Innovation Ambassador Update

ISSUE 1 - AUGUST 2017

Alan's Feedback

Thank you to all Marstrand attendees and challenge owners for making Marstrand workshop such a great success.
- Alan Gordon

Harry Robertsson Comments

"Welcome to the first issue of the open innovation ambassadors update- As Open Innovation is a new concept for most of us it is important that everyone is kept informed . The update will include information on

- current activities
- future plans
- workshops

Next Workshop

W/C 2/10/2017 GOTHENBURG

Format Of Future Workshops
Each workshop would be for 2 days and only have 2/3 challenges per workshop.

Success of Open Innovation Program

- Dependent on receiving more quality challenges
- We need your challenges

We're listening

Main comments from Marstrand Workshop were lack of time and too many challenges in workshop.

Changes for workshops going forward

- 2x2 day workshops
- each workshop restricted to 2/3 challenges
- Attendees can choose which challenges they want to participate in (everyone might not get first choice)
- Information on new tools would be sent out in advance of the workshop
